

DO THE WORK

MODULE 1: PREPARATION

Do the work.

When we get into the Facebook group, you can post your #MyVOWhy in the Facebook group, fill out the service standards cheat sheet, become familiar with three key E-Learning e-learning terms or job titles, and then decide what an hour of your time is worth and figure out a preliminary rate model.

I will send everyone these service standards cheat sheet that you can fill out or, at least, start to fill out, and we can talk through, if you have questions, on how to utilize it.

For those of you here, I'll go ahead and put this in the chat. You can start taking a look at it.

We'll save this for later. We'll call it there for the core content.
